Our New Orleans conference hotel is the Country Inn & Suites at 314 Magazine Street, on the edge of the historic French Quarter and next to the Arts District. The hotel is located just a five-minute walk from Bourbon Street and one mile from the Super Dome. The Country Inn & Suites combines seven renovated 19<sup>th</sup> Century warehouses, with heavy beams and some original architectural features visible throughout the facility. Rooms have been cleverly arranged on multi-levels and are nicely appointed. A lovely inner patio with a small pool adjoins the lobby lounge, and the hotel also offers an exercise facility.

ASA has a special room rate of \$119.00 per day (plus applicable taxes) for a standard room with single or double occupancy. Suites are \$149.00 per day. All ASA conference room rates are based on two people to a room. Internet is included in the rate. Also included in the rate is a hot breakfast buffet. Coffee and tea are available throughout the day. Microwaves and fridges are in every room, with newspaper Monday-Friday. The hotel also has dry cleaning services and laundry facilities.

The hotel is next door to the legendary Bon Ton Café, and within easy walking distance of many fine restaurants such as Emeril's NOLA. The hotel location is in a safe and relatively quiet part of the city. Off-street valet parking is available for conference registrants with a car.
