

TESTIMONIALS

Nothing makes us happier than hearing how happy we make you!

“I like the student involvement approach [in the ARM 201 class]. It kept the class lively, involved and we learned from each other. Hearing true experiences gave more meaning to what was being taught.” ~Mark L.

“I think the dialogue approach to teaching was significantly more engaging than the standard lecture. The [ARM 201] course was fully interactive and engaging for everybody.” ~anonymous

“I liked the real life, real world examples in the [ARM 201] class, and that we were paired with the same discipline colleagues.” ~anonymous

“I took the ARM 201 class a number of years ago and frankly had retained very little knowledge from that class. The current ARM 204 course is excellent and provided me with all the tools necessary to prepare my appraisal review demonstration report. I highly recommend ARM 204, even if it has been some time since you took ARM 201.” ~Norm D.
