

MTS Quick Guide to Accredited Senior Appraiser (ASA) Designation for NAAA Credential Holders

A Quick Guide to ASA's Machinery & Technical Specialties (MTS) Accreditation Program

For Designated Members of NAAA:

Step 1: Become a Candidate Member of ASA

- Pass ASA's Online Ethics Exam;
- Pass USPAP Exam (if applicable)

Step 2: Complete Education Requirements

- Hold the appropriate NAAA designation

Step 3: Apply for Accredited Senior Appraiser (ASA) Designation

Candidates may submit an online accreditation application to include:*

- A copy of your NAAA designation documentation
- A current USPAP certificate (if required)
- Documentation indicating education courses completed at Embry Riddle Aeronautical University (ERAU) or other equivalent education
- Completion of the online accreditation application process

**Details on these requirements may be found in the Machinery & Technical Specialties (MTS) Guide to Professional Accreditation*

Sent to ASA Board of Examiners (BOE) for Review

**Earn Accredited Senior Appraiser (ASA)
Designation, Aircraft Specialty**
