MTS Quick Guide to Designation for NAAA

A Quick Guide to ASA’s Machinery & Technical Specialties (MTS) Accreditation Program

For Designated Members of NAAA:

Step 1: Become a Candidate Member of ASA
- Pass ASA’s Online Ethics Exam;
- Pass USPAP Exam (if applicable)

Step 2: Complete Education Requirements
- Hold the appropriate NAAA designation

Step 3: Apply for Accredited Member (AM) or Accredited Senior Appraiser (ASA) Designation
Candidates who have met the AM or ASA accreditation criteria are ready to submit an online accreditation application which includes:

- Your NAAA designation documentation
- A current USPAP certificate (if required)
- Documentation indicating education courses completed at Embry Riddle Aeronautical University (ERAU) or other equivalent education
- Submission of completed online accreditation application

*Details on these requirements may be found in the Machinery & Technical Specialties (MTS) Guide to Professional Accreditation

Sent to ASA Board of Examiners (BOE) for Review

Earn Accredited Senior Appraiser (ASA) Designation Aircraft Specialty
