

A Brief Survey of Decorative Techniques & Themes on Swords of the Last Five Centuries

-Presented by Paul Golubovs, ASA, ARM-ARM

This is an ASA San Diego Chapter Zoom Event

In this colorful and informative PowerPoint presentation, Paul shares observations which will intrigue students of art, history, antiques and decorative techniques. Getting the point across five centuries in 50 minutes, the presentation will undoubtedly capture the imagination of the young and the older alike, perhaps inspiring a new wave of future historical sword collectors!

Object identification and description, recognition of value characteristics, and impact of condition are all relevant appraisal elements. Continuing Education credit approval is pending.
