Alberto Falduto, ASA
Election Biography

Member since 2020

Accredited Senior Appraiser Machinery & Technical Specialties / Machinery & Equipment 2021

I am currently a Senior Equipment Evaluation Specialist at DLL, an international vendor finance company, located in Wayne, PA, and subsidiary of Rabobank Group (NL).

Master of Science in Finance, Bocconi University, Milan, Italy

Bachelor of Science in Economics, Bocconi University, Milan, Italy

Why do you feel you are qualified for this position? Include information on past volunteer positions with ASA and other organizations.

I am eager to contribute to ASA committees by providing a unique perspective given my professional profile and personal background. I have extensive international experience and exposure to various industries, from construction to machine tools to finance. I have more than 10 years of experience in appraising machinery and equipment for the construction, agriculture, and industrial sectors.

What contributions have you provided ASA as a member or to a comparable organization(s)?

If I am elected, this would be the first time I would have the opportunity to serve ASA and contribute to its mission of establishing the highest standards for the appraiser profession. I have an innate propensity to develop efficient procedures and policies and to optimize and streamline operations. I hope to contribute to ASA's mission and benefit its members with these skills.

What do you wish for ASA's members?

I wish all ASA members would find ways to connect with the best professionals in the field and receive support to develop their practice.

What do you wish for ASA in the profession?

I wish for ASA to continue to represent a beacon for the profession as a long-standing reputable institution, fulfilling its mission to foster professional excellence in its members.

Why should members vote for you?

I hope members will offer me the chance to bring a fresh new perspective to ASA, where I can contribute to its mission with accountability and a results-oriented mindset.
