Why do you feel you are qualified for this position? Include information on past volunteer positions with ASA and other organizations.

I have served the ASA in several capacities including the local chapter Board and mentoring candidates.

What contributions have you provided ASA as a member or to a comparable organization(s)?

I have promoted the ASA to various neighborhood and professional groups as the multi-discipline organization to fill their appraisal requirements.

What do you wish for ASA's members?

My wish for ASA members is to continue expanding upon the sub categories of the major disciplines through experiences of members and developing valuation education for professional designation and recognition of sub categories.

What do you wish for ASA in the profession?

My wish for the ASA in the profession is continued growth globally as the “go to” organization for the general public and professional groups for valuation concerns.

Why should members vote for you?

As Governor for Region 2, I pledge to continue promotion of the ASA, recruiting and mentoring students and appraisers for the continual development and future of the organization. All members deserve a seat at the table to assess and offer solutions to issues affecting our organization. I ask for your vote to provide the best representative service to the Region 2 members, and to voice your concerns as your “seat at the table”.
