Please let me know if you have any questions or need additional information. Thank you.

**Why do you feel you are qualified for this position? Include information on past volunteer positions with ASA and other organizations.**

With over 20 years of experience as a business valuation specialist and over thirty years as a CPA in Minnesota, my experience and qualifications will be beneficial to the ASA. I am CEO of Sullivan, Ltd located in Alexandria, Minnesota, and practice as a qualified business appraiser and independent CPA throughout the Midwest.

**What contributions have you provided ASA as a member or to a comparable organization(s)?**

My volunteer experience includes Chapter president of the Twin Cities Chapter (Minneapolis/St. Paul, MN) for two years. I have also been Treasurer of a local group dedicated to business valuation called the Minnesota Association of Business Valuation Professionals (MABVP). I have served as fundraising chair for the Minnesota Division of the American Cancer Society, among other service and Not-for-Profit Organizations. I look forward to the opportunity to help the ASA continue to achieve its mission to

promote ethical standards, provide valuation education, and recognize qualified members through professional designation.

**What do you wish for ASA's members?**

As ASA Chapter President, I helped stabilize a Chapter that was suffering with a decline in members and focused on enhancing the Chapter's viability. As fundraising Chair for the American Cancer Society, I lead fundraising efforts in Minnesota for a Chapter that generated more than \$12 million in donations.

**What do you wish for ASA in the profession?**

I hope ASA members will continue to work together on continuing and broadening the mission of ASA. I wish that they continue to be knowledgeable about ASA resources available to them and enhance the public image of ASA practitioners through professionalism and dedication to the art of appraisal.

**Why should members vote for you?**

Because I will work for their benefit in enhancing the ASA and the public image of the appraiser profession.
