

## **Jeremy Cox**

### **Election Biography**

Jeremy R.C. Cox, ASA

Member since 2018

Accredited Senior Appraiser designation 2019

Greater St. Louis Chapter - President (2020-ToDate)

I am currently president of JetValues-Jeremy LLC located in Waterloo, IL.

Machinery & Technical Specialties - Aircraft

Known in the industry as 'JetValues I am active in the aviation industry as a commercial and instrument rated pilot, A & P (Airframe & Powerplant) mechanic with an IA (Inspection Authorization) and FCC GROL Radio Operator License with Radar. I have extensive experience serving as the direct interface between aircraft purchasers and sellers, from marketplace research to pre-purchase inspection monitoring, and aircraft appraisal. I am also a regular contributing aviation writer, having been published in a variety of trade journals. I am also an Instructor for the American Society of Appraisers in the ASA Aircraft Valuation Education Program. I am active in the International Aircraft Dealers Association, the National Aircraft Finance Association, the Greater St. Louis Business Aviation Association, the National Business Aviation Association, the Experimental Aircraft Association, and the Aircraft Owners and Pilots Association. I am also a Colonel in the Commemorative Air Force.

### **Why do you feel you are qualified for this position?**

I believe that I am competent to serve on this committee because I have spent over 20 years appraising aircraft – The date of my first appraisal report is 08/23/1999; A copy of my most recent resume is available upon request. However, briefly, I note that I have spent over 40 years working in aviation. I hold an FAA A&P Mechanics Certificate, an FAA Inspection Authorization, and various other certificates. I have spent numerous years working on maintenance of aircraft, including serving as Vice President and General Manager of an FAA Certified Repair Station under 14 FAR 145. The following is a summary of my professional accomplishments, including a selection of completion certificates:

- Senior Certified Aircraft Appraiser (ASA & NAAA)
- USPAP Conforming Appraiser
- Certified Aircraft Buyers Agent
- Member - American Society of Appraisers
- ASA Instructor for the Aircraft Valuation Program
- Former Professional Aircraft Broker
- Aviation Consultant
- Former President of the Greater St. Louis Air & Space Museum
- Current Serving Vice President of the Greater St. Louis Business Aviation Association
- Service & Support Member of the International Aircraft Dealers Association
- Service Member of the National Aircraft Finance Association
- Member of the National Business Aviation Association
- Elected Technician of the Royal Aeronautical Society of Great Britain
- Life Member of the Commemorative Air Force
- FAA Certified Airframe and Powerplant Mechanic with Inspection Authorization

- FCC GROL Licensed Operator/Technician
- CAA Aircraft Engineering Certificate Holder
- Life Member of the Experimental Aircraft Association
- Former Experimental Aircraft Association Technical Counsellor
- Gulfstream II/IIB Maintenance Qualified
- Falcon 20 Maintenance Qualified
- Commercial and Instrument Rated Pilot (no medical)
- Certified Ag Pilot
- Aircraft Delivery Specialist
- Published Aviation Writer
- Author of St. Louis Aviation, ISBN # 97807385884102
- Expert Witness in Aviation Legal Cases

**What contributions have you provided ASA as a member or to a comparable organization(s)?**

President of the St. Louis Chapter of the ASA.  
Contributed Articles to the MTS Journal

**What do you wish for ASA's members?**

To instill a attitude epitomized by Alexandre Dumas in his novel: The Three Musketeers..."All for One, and One for All." The ASA is a place where politics must not exist. All members must respect each other, and work together in support of each other.

**What do you wish for ASA in the profession?**

To continue growing the public respect and confidence that the ASA has been building as a professional accreditation association.

**Why should members vote for you?**

I am passionate about aircraft appraising, especially rare, unusual, and one-off aircraft, including spacecraft. I focus 100% of my time to aircraft appraising. I do not buy or sell aircraft. I live aviation 24
