**What contributions have you provided ASA as a member or to a comparable organization(s)?**

I began my appraisal career at the age of eighteen. I was introduced to the profession by my father, Michael J Lange Sr (Past National President 1992). I started as a bartender at a National Convention in 1984 and it's been a pleasure to meet and serve the appraisal profession ever since. I have held various title's locally, statewide and nationally. I have over 37 years of experience in the field of real estate appraising. Education, Conference's and Committee's have been a passion of mine right from the start. Recruiting members for the NAIFA and now ASA is at the core of my being. The legacy that my father left, is and will be unmatched. I can only hope to make him proud and follow in his footsteps. "We are Family" a concept he repeated often. Lastly, my motto has always been;
