

# American Society of Appraisers 2021 International Conference

## *Duty of Care*

---

American Society of Appraisers considers the safety of all those on-site at the 2021 ASA International Conference as our top priority. This Duty of Care is a document that will continue to evolve as the status of the pandemic, vaccine rollout and local requirements change. These measures are put in place to offer a safe, comfortable and compliant on-site experience for everyone in attendance.

As of June 1, the State of Nevada has lifted restrictions involving capacity limits on large gatherings.

### **Venue/Meeting Spaces**

Planet Hollywood Resort & Casino continues to implement best practices in sanitation including:

- Hand sanitizer stations available throughout the conference center hallways.
- Hand sanitizers will be available outside of all scheduled or occupied meeting rooms.
- Frequent cleaning and sanitizing of public areas.

### **Masks**

In response to rising positive COVID cases among the unvaccinated population, the state of Nevada has adopted an emergency directive requiring facial coverings indoors for everyone, both vaccinated and unvaccinated, beginning July 30, 2021. The directive follows guidance from the Center for Disease Control and Prevention (CDC).

The directive applies to everyone in public indoor settings in the state of Nevada, regardless of vaccination status. This includes visitors, employees, meeting organizers, exhibitors and meeting attendees. The directive relates to indoors only. Masks are not required while outdoors or at outdoor venues.

### **Attendee Registration & Check In**

- **Name badges and lanyards** will be available on-site at the traditional on-site registration desk.
- Personal-sized **hand sanitizer** will be provided on-site for all attendees.

### **On-site Screening**

- Daily on-site screening measures are not required and will not be implemented at this time.

### **Personal Accountability Commitment**

By attending the 2021 ASA International Conference in Las Vegas, NV, you agree to abide by and engage in certain health-and-safety-beneficial conduct while attending the event. This includes, but is not limited to, following mask requirements issued by the state of Nevada, practicing physical distancing if you are not yet vaccinated and not attending the event if you are ill or have been recently exposed to COVID-19.

***Safety and screening requirements are subject to change.***
